RE: Shootering Canyon  
Uranium Mill

Dear Mike,

After your visit here today I reviewed the copied document which I gave you and discovered that it is not a Notice of Intention and Reclamation Plan for the Shootering Canyon Mill. Rather, it is for the Lucky Strike Mine, and that is all. Maybe you discovered this by now.

If you have record of another filing which you made with us for the mill, please let me know. At any rate, you have the forms MR-1, MR-2, and MR-8, so that you can file on the mill in the regular way.

The Form MR-8 should be completed eventually for the Lucky Strike Mine as well, as should the revegetation section of the partially completed MR-2.

Call me if you have further questions.

Very truly yours,

*Ronald W. Daniels*
